Resources

● ● ● Technical assistance in California

AIDS Health Project

The AIDS Health Project offers a two-day provider training designed to increase the prevention skills of individuals who provide services to people with HIV. For more information, call 415/476-3902.

www.ucsf-ahp.org

AIDS Partnership California

Addresses HIV in communities of color. Fact sheets on Prevention with Positives model programs and formative research. For more information, call 877/624-2755 x23

www.aidspartnershipca.org

AIDS Project Los Angeles (APLA)

APLA provides technical assistance, consultation, training and collaboration through two-day trainings throughout the State of California for CBOs/LIGs, needs assessment and technical assistance plans to each participating CBO/LIGs and individualized follow-up TA. For more information, contact Antony Stately, 213/201-1543 or astately@apla.org.

www.apla.org

California STD/HIV Prevention Training Center

The STD/HIV Prevention Training Center is offering Supporting Client Disclosure of HIV Status: A Skills-Based Training for Providers that explores the many issues surrounding client HIV status disclosure and discusses strategies for supporting this in a number of different settings (EIP, C&T, HIV clinical treatment, etc.). For more information, call 510/883-6600 or email captc@dhs.ca.gov.

www.stdhivtraining.org

The Center for HIV Identification, Prevention, and Treatment Services

TA to support existing funded projects and assist in development of new research protocols focused on communities, systems-of-care, service providers, and individuals at risk.

chipts.ucla.edu

The National Native American AIDS Prevention Center (NNAAPC)

NNAAPC's Prevention with Positives Project is identifying effective HIV-transmission interventions adapted to the needs of Native communities. In addition, HRSA has funded NNAAPC to provide technical assistance to agencies providing and planning to provide HIV prevention services to Native American populations. For more information, call 510/444-2051.

www.nnaapc.org

Partnership for Health

Offers training for healthcare providers to promote safer sex and adherence among patients with HIV.
